Good Afternoon Ms. McKay,

We are definitely interested in submitting a price quote for renewal consideration for the 2026 school year with Bibb County. We kindly ask what the pay rate will be for the upcoming school year under this contract for the two Job Categories, Nutrition Assistant and Cashier. This will assist us in determining a revised quote (if applicable) for the 2026 school year.

In the original solicitation the rates were established below, have they increased for 2026? For school year 2024/2025 our bill rates were not adjusted so we want to be sure we account for any pay rate changes since the initial 2024 school year. Also, if the hourly pay rate is higher, should we submit our renewal quote at the adjusted rate (same markup/billing rate) or will the county adjust the rate for us if we state no change?

JOB CATEGORY	SN Hourly Rate*	Billing Rate
1. Nutrition Assistant	\$ 12.61	\$ _____
2. Cashier	\$ 12.36	\$ _____

* The Hourly Rates for SY 2024 have not yet been set. The applicable markup/billing rate will be applied if different.

Thank you in advance for your time and consideration,

Arlaine
