This policy will apply to all “capital outlay projects.” For the purposes of this policy, a “capital outlay project” is defined as the building, altering, repairing, improving, or demolishing of any school structure or other building owned by the Bibb County Board of Education. The term capital outlay project does not include routine operation, repair, or maintenance of existing structures, buildings, or real property which are covered under Policy DJE, Purchasing and Regulation DJE-R(1), or any energy savings performance contract or any improvements or installations as part of an energy savings performance contract.

The Bibb County School District does not discriminate on the basis on race, color, national origin, religion, age, disability, sexual orientation, gender identity, genetic information or sex regarding the competitive award requirements on school capital outlay projects.

The Superintendent and Chief Financial Officer are authorized to prepare a regulation regarding this policy. This regulation will comply with the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1, et. seq. and O.C.G.A. § 36-91-20, et. seq.).
