To Whom It May Concern,

I am pleased to share that the Oak Grove Elementary Foundation has generously donated \$60,000 to support the installation of turf in our playground area. We are incredibly grateful for this dedicated group of parents whose fundraising efforts continue to enhance our school environment for both students and staff.

We look forward to seeing this project come to life and to the many benefits it will bring to our school community. If you have any questions or would like more information about the project, please don't hesitate to reach out to me directly.

Sincerely,

A handwritten signature in blue ink that reads "Valerie M. Kennedy".
