From: Jamie Cassady, Assistant Superintendent of Student Affairs, and Sherry H. Culves, Parker Poe Adams & Bernstein LLP

Subject: Policy JBC- School Admissions (**First Reading**)

Summary

The District is presenting Policy JBC- School Admissions, for First Reading.

Background

Policy JBC and Regulation JBC-R(1) required review for compliance with newly enacted House Bill 268 (Education, safety, health, and well-being of students and school communities - Ricky and Alyssa's Law), as well as review for on-going compliance with Georgia law and State Board of Education Rules.

Policy

There are no changes to the policy at this time.

Regulation

The Regulation was reorganized for clarity, mainly to lay out in the beginning of the Regulation who is eligible to enroll a student in the District. The primary substantive changes are found in Section D:

1. D.1 - revisions address compliance with O.C.G.A. § 20-2-771.
2. D.5 through D.7 - revisions were made to comply with Ricky and Alyssa's law, specifically as it amended O.C.G.A. § 20-2-670.

Finally, language was added in Section F.1 for compliance with OCGA § 20-3-519(6) and consistency with State Board of Education Rule 160-5-1-.15.

There are no suggested revisions to JBC-E(1), the Georgia Department of Health Certificate of Immunization.
