

CHRONOLOGY OF THE AGENDA ITEM
Granting of Easement- Electrical Distribution Facilities
Sam A. Moss Service Center
1780 Montreal Rd W, Tucker, GA 30084

Scope: Grant of Easement – **1780 Montreal Rd W, Tucker, GA 30084, to upgrade electric distribution facilities.**

Purpose:

Georgia Power Company is requesting an easement at the Sam A. Moss Service Center site to upgrade the electric distribution facilities. The upgrades will support improved service reliability for the electric vehicle charging stations. The installation and maintenance of the electrical and communication lines are for existing and future structures. Georgia Power requests permission to construct, repair, and maintain all equipment for service to the Sam A. Moss Service Center site.

It is requested that the Board of Education approve the easement to Georgia Power Company for upgrades to service equipment supporting improved electric service reliability and construction of an electric vehicle charging station at the Sam A. Moss Service Center site.
