Santa Rosa French-American Charter School

Material Revisions to the Charter

Brief overview

- Opened in 2012 with 243 students.
- Enrollment growth over time with 495 in the 2025-26 SY on Doyle Park site.
- Annual wait lists.
- With relocation, added one TK class and one Kindergarten class.
- 533 currently enrolled at 500 E Street.
- Application window open until November 17.
- 205 current applications

Language Immersion Learning Environment

- The goal is to have 50 percent of students be native French speakers to bring everyday, casual language to social environments such as recess and raise the level of language in the classroom.
- Families apply with native speakers from throughout California, the U.S. and from abroad. They remain on the waitlist because the available spots are taken.
- Adding a French-language pull would increase the opportunity to move toward the goal.
