DPH Form 3300 Rev. 2013

Georgia Department of Public Health Form 3300

Certificate of Vision, Hearing, Dental, and Nutrition Screening

Who is required to file this Form 3300?

The parent or guardian of a child who is being admitted for the first time to a public school in Georgia must file a completed Form 3300 with the school when the child is enrolled.

What is the purpose of Form 3300?

Form 3300 is intended to make sure that every child in Georgia is screened for possible problems with their vision, hearing, teeth and nutrition. The earlier these problems are detected, the earlier parents can seek professional help for the child.

What screenings are required?

Four different screenings are required: vision, hearing, dental, and nutrition. All four screenings must be conducted and reported on the form before it can be filed with the school.

Who can conduct the screenings?

Your child's doctor is authorized to conduct all four screenings, as is your local health department. In addition, the vision screening can be conducted by a Georgia licensed optometrist, an employee of Prevent Blindness Georgia trained to conduct vision screening, or a school registered nurse; the hearing screening can be conducted by a Georgia licensed speech-language pathologist or audiologist, or a school registered nurse; the dental screening can be conducted by a Georgia licensed dentist, dental hygienist, or a school registered nurse; and the nutrition screening can be conducted by a Georgia licensed dietitian or a school registered nurse. It is not necessary that the same person conduct all four screenings.

What does "BMI" and "BMI%" mean?

"BMI" means "body mass index." BMI is a way to describe how much a child weighs in relation to height. "BMI percentile" is a way to compare the child's body mass index to the body mass index of a healthy child. If the child's BMI is less than 5% or more than 84% of what is appropriate for his or her age and height, then the child should be taken to a doctor or dietitian for a more detailed evaluation. For more information, visit the Centers for Disease Control and Prevention website on child and teen BMI at:

http://www.cdc.gov/healthyweight/assessing/bmi/childrens_bmi/about_childrens_bmi.html

What should a parent do if the "needs further evaluation" box is checked?

"Needs further evaluation" means that the child may have a problem. If the "needs further evaluation" box is checked, then the parent should take the child to a professional for a more detailed evaluation. Your doctor or local health department may be able to help, or recommend someone who can help.

What if a Form 3300 was previously filed for the child at another school?

It is only necessary to file the Form 3300 once. If the Form 3300 is filed at the child's first school, and the child later transfers to another school, then the original school is required to forward the Form 3300 to the new school.

Procedures for Completing an Affidavit of Residence

If the Parent/Guardian and student live in another person's household JBC-R, School Admissions, requires that individual to provide the required two Proofs of Residence containing the individual's name.

Both the Parent and the person they live with will complete the Residential Affidavit. The school admissions team, which includes the registrar and other designated school staff, will oversee this process.

1. An Affidavit must be completed for each student in the household.
2. The school will collect the Proofs of Residence and the Photo ID's of the Parent and person they live with.
3. The school admissions team will explain the document to both parties completing the Affidavit and answer any questions.
4. A member of the school admissions team checks and verifies the zoned school based on the address.
5. A member of the school admissions team will complete Fields: School Year, Zoned School, Proof of Residence #1 and #2
6. Parent and person they live must complete the Affidavit and initial by each statement.
7. A member of the school admissions team verifies all fields are complete. A notary with the Bibb County School District ("District") then verifies all signatures and notarizes the document. **(Documents MUST be completed and notarized ONLY by a District official).**
8. A member of the school admissions team receiving the Affidavit will sign and date the Affidavit.
9. A member of the school admissions team scans and uploads: Both Proofs of Residence, ID's and both sides of Affidavit into Student's Document tab.
10. All original Affidavits will be kept in one folder for the current school year.

Parents and Guardians: Adding or changing the address on a Household affects **all** of the students in that Household. It may mean that other students in the household will need to be transferred to a different school. A member of the

school admissions team will communicate with the other affected school, the change in address and the zone for the students.

Before creating a new household, a member of the school admissions team will check for an existing Household.

Note: The Parent/Guardian can only be in ONE Household. Every student MUST have at least one Parent/Guardian in the Household with them.

When a student is enrolled, a member of the school admissions team will enter the Transfer Date and Affidavit of Residence in the student's Enrollment Tab. It is located under District Defined Elements at the bottom of the page.

Path: Student Information> General> Enrollment Tab> Open current line of enrollment> scroll down to District Defined Elements> Enter Transfer Date from the Affidavit > Under Affidavit of Residence select Y: Yes.

The screenshot shows a web form titled "District Defined Elements". It contains several input fields and dropdown menus. Two blue arrows point to the "Transfer Date" field (which includes a calendar icon) and the "Affidavit of Residence" dropdown menu. Other fields include "Permit Code" (set to "3: In School Zone"), "Zoned School" (set to "0198: Westside High School"), "Kinship Caregiver's Affidavit", "Non-Block Semester Transferred", "Days Enrolled" (set to "127"), "ED", "Days Present" (set to "122"), "3rd Unexcused Absence", and "5th Excused Absence".

Schools are NOT to send parents to the BOE. If a member of the school admissions team has questions or concerns; they are to first speak with the school administrator, then if necessary, contact the zone representative.
