

FY 2027 Capital Outlay Application Project Start Dates

If you would please take a few minutes to confirm the following information for each project included in your FY 2027 Capital Outlay Program application, it will enable the Facilities Services staff to better serve your school system and will be greatly appreciated.

Each school system is responsible for notifying the Facilities Services of any SPLOST elections and changes to construction start dates. If you fail to notify us in writing of any changes to the construction start date it may jeopardize your ability to receive state funds for your project or projects. Please note, the Superintendent's signature is required.
