

Regulation EEE-R(1): Wellness Program - Student Wellness Program

Status: DRAFT

| Last Reviewed Date: 08/01/2025

Pursuant to the DCSD School Board Wellness Policy (EEE), this regulation is to be utilized by DCSD in the application of the Wellness policy:

I. GOAL FOR SCHOOL FOOD, NUTRITION PROMOTION AND EDUCATION:

- a. All school nutrition program directors, managers and staff will meet or exceed the hiring and annual continuing education/training requirements in the USDA professional standards for child nutrition professionals.
- b. The district will offer annual professional learning opportunities and resources for staff to increase knowledge and skills to promote healthy behaviors in the classroom and school.
- c. School Nutrition Services will incorporate nutrition education and promotions into school meal programs through monthly menus, nutrition promotions, activities, posters, website links, signage, and other means when feasible.
- d. DCSD will teach, model, encourage and support healthy eating for all students. This is supported through teaching current nutrition standards throughout the curriculum.
- e. Local foods will be offered and promoted to students at least once per month as part of the School Nutrition program.
- f. Schools will be encouraged to participate in farm-to-school activities such as school gardens, curriculum-based lessons, taste tests, cooking classes, farmer visits, school nutrition promotions, and field trips that support local farms and local foods.
- g. Schools will be encouraged to include health & wellness information in school newsletters and other marketing materials to promote student health.
- h. School Nutrition will include nutrition education on the School Nutrition Website to include but not limited to farm-to-school information, nutrition web links, and wellness resources.
- i. The district will promote healthy food and beverage choices for all students throughout the school campus and encourage participation in the school meal programs.
- j. Students will be educated and exposed to a wide variety of food choices through the annual DCSD SNS Student Voice, Student Choice Taste Testing.

II. GOAL FOR SCHOOL NUTRITION INTEGRITY FOR OBESITY REDUCTION:

- a. Meals served during the school day will, at a minimum, comply with current USDA regulations (Breakfast, Lunch, and Afternoon Snack). This includes the types and quantities of foods offered as well as the overall nutritional content.
- b. Schools will be encouraged to include health and wellness information in school newsletters and other marketing materials to promote student health.
- c. Schools will encourage parents and teachers to provide healthy snacks and water if food is served during a celebration.
- d. Participation in organizations that support obesity reduction is encouraged. Examples include Alliance for a Healthier Generation, Stronger 4 Life, Child and Adult Care Feeding, Athletic programs, Healthy Kids Challenge, No Kid Hungry.

III. GOAL FOR NUTRITION STANDARDS FOR COMPETITIVE FOODS AND BEVERAGES:

- a. All competitive foods and beverages sold must comply with the USDA Smart Snacks in Schools nutrition standards (7 CFR210.31(c)3(iii)). Competitive foods and beverages refer to those that are sold to students outside the reimbursable meal on the school campus (i.e., locations on the school campus that are accessible to students) during the school day (i.e., the midnight before to 30 minutes after the end of the school day). The nutrition standards do not apply to foods and beverages sold at events held after school, off-campus, or on weekends, such as school programs or sporting events.

The following standards will apply to all locations and services where foods and beverages are sold, including a` la carte options in cafeterias, vending machines, school stores and snack for food carts.
