

# DeKalb County School District

## SAT Test Preparation Proposal – SY 2025–2026

### Program Overview

DeKalb County School District will receive SAT prep strategies, proctored practice tests, and additional self-paced preparation. The program is designed to increase the number of college-ready students, expand scholarship opportunities, and provide broader exposure to college entrance exam preparation.

### SAT Test Prep Courses

Term	Courses / Dates	Details	Cost
Fall 2025	28 courses Sept 20 - Nov 22, 2025	Up to 15 hours of instruction, with 4 courses per school (2 morning and 2 afternoon), serving up to 35 students per course, and including 2 proctored practice tests	\$252,000
Spring 2026	28 courses Jan 10 - Mar 7, 2026	Up to 15 hours of instruction, with 4 courses per school (2 morning and 2 afternoon), serving up to 35 students per course, and including 2 proctored practice tests	\$252,000

### District SAT Strategy Sessions (Zoom)

Sessions	Dates	Cost
2 one-hour Zoom sessions Unlimited attendance	Fall: Dec 1, 2, or 3, 2025 Spring: Mar 9, 10, or 11, 2026	Complimentary

### Investment Summary

<b>Total Program Cost</b>	<b>\$504,000</b>
Includes TPR instructors, course materials, two proctored practice tests, 56 in-person courses, two district-wide strategy sessions, and 365 days of online test prep access for each enrolled student.
