

INFORMATION MEMORANDUM

To: Bibb County Board of Education, Dr. Dan A. Sims, Superintendent

Subject: Policy BBF - Advisory Committees **(First Reading)**

Summary

The District is presenting Policy BBF - Advisory Committees for First Reading.

Background

We do not recommend any revisions to Policy BBF but do propose revisions to Regulation BBF-R(1). We understand from the District that the ESPLOST Advisory Committee process is working well, thereby minimizing the need for edits.

However, the “Terms” section was revised now that the initial terms have run, and the alternating schedule has been established. Additionally, language was added that the “qualifications” for membership on the Committee must be met throughout a member’s term. For example, if a Committee member moves outside the boundaries of their assigned School Board District during their term, that member would no longer be eligible to serve on the Committee. Finally, minor non-substantive edits were made.

Next Step

The District will post Policy BBF - Advisory Committees for First Reading, on Simbli to receive input from the Board members and stakeholders for 30 days. The policy will be brought to the next board meeting for second reading and final Board acknowledgment of no change.
