To Whom It May Concern,

On behalf of the Fernbank Foundation, we are pleased to announce a donation in the amount of \$21,636.12 to Fernbank Elementary School.

These funds are designated specifically for the purchase and installation of a new sound system in the school cafeteria. We are excited to support this project, which will enhance the quality of events, assemblies, and daily activities for both students and staff.

The Fernbank Foundation remains committed to enriching the educational experience at Fernbank Elementary, and we are proud to invest in improvements that directly benefit the school community.

If you have any questions regarding this donation or require additional documentation, please feel free to contact us.

Sincerely,

Claire Henwood
