Contract – Annual License Renewal
Kahua Project Management Information System (PMIS) -
Add-On Service – Kahua Managed Service Consultant

Scope: **Contract – Renewal - Annual License Subscription** for the use of the Project Management Information System (PMIS) software. The renewal is for continued use of a state-of-the-art PMIS software tool that effectively manages all DCSD E-SPLOST and Non-E-SPLOST capital improvement projects.

Add-On Service – Kahua Managed Service Consultant

Contract Term:

On May 8, 2023, the Board approved one (1) year license with options for four (4) one (1) year renewals.

The current request is for the third of four (#3 of 4) one (1) year renewal options for a not-to-exceed amount of \$218,000.

An additional service has been added - Kahua Managed Service Consultant, not to exceed \$168,750.

Background/Purpose:

In anticipation of the end of E-SPLOST V and the start of E-SPLOST VI, Operations' staff started investigating PMIS software systems in late 2021/early 2022 that would be District owned and used by both District and E-SPLOST Program Manager staff. District staff evaluated PMIS software products from multiple vendors and selected Kahua due to its capabilities and ease of use.

The current request is for the third of four (#3 of 4) one-year renewal options and will allow for the continued use of the annual subscription for the Kahua Project Management Information System (PMIS) software by an unlimited number of users for DCSD E-SPLOST and non-E-SPLOST Capital Improvement Projects. Included in the current request is the services of a Kahua managed service consultant, which is an additional service provided by Kahua at the request of the District to assist in the administration of the Kahua PMIS software.
