

CHRONOLOGY OF THE AGENDA ITEM
Contract – Purchase – Mobile Modular
Modular Classrooms at Heritage Facility

Scope:

Purchase of the Modular Classrooms at Heritage Facility– Purchase of two Modular Classrooms from Mobile Modular Company

Purpose:

The District has limited sites that can serve as swing space for elementary schools during major construction projects. The Heritage facility alone does not have enough space to temporarily house an elementary school's enrollment. The purchase of the two modular classrooms will benefit the facility and allow for the site to be used as temporary swing space.

It is requested that the Board of Education authorize the District to purchase the modular classroom trailers at the Heritage Facility from Mobile Modular company. Located at 2225 Heritage Drive. The purchase of the two quad units with restrooms in an amount not to exceed **\$366,536.00**.
