

Board Policy ICC: Curriculum Research

Status: ADOPTED

Original Adopted Date: 12/04/2014 | Last Revised Date: 05/20/2021 | Last Reviewed Date: 05/20/2021

The Board of Public Education for Bibb County ("Board") acknowledges the importance of educational research and the need to balance this activity with student privacy and effective use of instructional time. The Board welcomes research projects conducted in the Bibb County School District ("District") that are well-conceived, articulate, implemented with fidelity, evaluated and beneficial to the District.

Instructional research studies within the District may be conducted solely with written authorization from the Research Review Committee, in accordance with the procedures detailed in Regulation ICC and the guidelines available on the District website.

The Superintendent or designee is authorized to prepare a regulation regarding this policy.
