

Dear Members of the DeKalb County School Board,

On behalf of the Austin Foundation, we are honored to continue our partnership in support of student learning at Austin Elementary School. We are pleased to donate \$60,000 to provide resources for classroom enhancements that will directly benefit students and teachers.

This donation will fund:

- Math manipulatives to strengthen hands-on learning and conceptual understanding.
- STEM instructional materials to deepen inquiry-based learning and support student engagement in science, technology, engineering, and mathematics.
- Khan Mappers online program to equip teachers with tools to differentiate instruction and monitor student progress.

In addition to enriching daily classroom instruction, these resources will also play a critical role in supporting Austin Elementary's STEM recertification efforts.

We are grateful for the opportunity to contribute to the success of Austin Elementary students and respectfully request approval to move forward with this donation.

Sincerely,

A handwritten signature in black ink that reads "Kathryn Olive". The signature is written in a cursive style with a large initial 'K' and 'O'.

Kathryn Olive
