

Dear Members of the DeKalb County School Board,

On behalf of the Austin Foundation, we are pleased to share our commitment to supporting student learning at Austin Elementary School. We would like to make a donation to provide IXL for all students in grades K-5 for the cost of \$15,6000.

This program will give students opportunities for standards-based skills practice while also equipping teachers with tools to design Common Formative Assessments and to monitor student progress effectively. We believe this resource will directly enhance teaching and learning at Austin Elementary and further strengthen academic outcomes for all students.

We are honored to partner with the DeKalb County School District in support of student success, and we respectfully request your approval to move forward with this donation.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Olive".
