Dr. Norman C. Sauce III, Interim Superintendent

November 14, 2025

Dear Dunwoody Elementary School,

Thanks to the generosity of Commissioner Michelle Long Spears, the DeKalb Schools Educational Foundation, Inc. is proud to award Dunwoody Elementary School an Environmental Education Grant of \$7,193.00. This grant will help students at Dunwoody Elementary School to learn, lead, and act for a sustainable future.

This grant supports hands-on learning projects that bring environmental science to life in our schools. From school gardens and recycling initiatives to outdoor classrooms and sustainability projects, students are gaining real-world experience in stewardship, problem-solving, and community impact.

Commissioner Long Spears' commitment to environmental education ensures that DeKalb students not only understand the importance of protecting our planet but also feel empowered to be part of the solution. Together, we're cultivating curiosity, creativity, and caring for the world around us.

In Service,

Munir Meghjani, Chair
DeKalb Schools Educational Foundation, Inc.

C: Dr. Norman C. Sauce III – Interim Superintendent, DeKalb County School District
Mrs. Jennifer Caracciolo – Interim Chief of Community Engagement C Innovative Partnerships
Ms. Kymberlee Estis – Executive Director
Ms. Lauren Scott – Deputy Chief Financial Officer
