General Contract Information

This contract is for the provision of School Buses, both Conventional, Alternative Fueled (Propane and Compressed Natural Gas), and Electric School Buses with Related Equipment, Parts, Supplies and Accessories. Related Services are not included in this contract. Parts are only offered by Yancey and Peach State. (No parts tab for Rush on Pricing Sheet).

The buses include TYPE A, TYPE C, and TYPE D school buses of various designed seating capacity. This contract also includes special needs equipment, alternatively fueled vehicles, new technology vehicles, and incorporates green initiatives in both bus design and manufacture.

This is an à la carte, competitively bid contract that provides great flexibility in customizing a school bus. Buyers can quickly customize their purchase to meet their individual requirements. This cutting- edge approach creates tremendous cost and time saving efficiencies in the school bus buying process for both the supplier and buyer.

Customers may require special terms and conditions based on local requirements. These requirements should be coordinated with the vendor and if mutually agreed upon, must be documented on the Purchase Order (PO). If applicable, vendor may add additional cost to the quoted cost for additional terms and conditions. Notify State Purchasing Division (SPD) before submitting your purchase order to verify/validate the additional costs.

This contract is for the provision of school buses and activity buses only. The contract style is à la carte ordering, however, the bus cannot be configured into any other vehicle except a school bus. Doing so would not be within the scope of the solicitation and ensuing contract.

Yancey Bros Co. is a dealer for Blue Bird.

Ordering Instructions

Reference Statewide Contract ID: 99999-SPD-G20160601-0001 on Purchase Orders

Please note: Awarded statewide contract suppliers are expected to offer, **FIRST**, the products and services under this statewide contract in response to all requests for quotes from authorized users of this statewide contract.

Further, all quotes received, based on this statewide contract, should include the statewide contract number.

Customers can save money and purchase a base bus. Additionally, customers may elect to build their school bus by selecting their options from an *à la carte* menu of over 200 optional items. All buses meet the Georgia Department of Education's (DOE) state school bus specifications.

The following steps should be followed when ordering a bus from this contract:

1. Customers should determine their requirements and ensure that they meet DOE specifications
2. Customer will identify which of the purchase options best meets their requirements. You cannot add options to the option packages. Options can be added to base bus selections.
3. Compare vendor offerings and pricing.
4. Review warranty provisions and determine if extended warranty terms should be purchased
5. Select desired vendor and purchase option based on the best purchase value (*price, compatibility with existing fleet, current infrastructure support, etc.*)
6. Complete the Build-a-Bus Worksheet.
7. Contact vendor and **identify yourself as a State of Georgia state contract school bus purchaser** and submit the "Build- A-Bus" Worksheet.
8. Compare vendor pricing against the contract price
9. Confirm delivery date and method
10. Issue purchase order or other order agreement and include delivery requirements. **Be sure that the Statewide Contract Number is on the Purchase Order.**
