Background:

The After School Snacks Agreement represents a community partnership between The DeKalb County Parks and Recreation and DCSD School Nutrition Services (SNS) to provide snacks from eight schools to the designated nine centers. This service benefits the students at the DeKalb County School District. SNS has been providing after school snacks to DeKalb County Parks and Recreation since SY2018-2019.

The original draft agreement anticipated revenue was \$44,550.00 minus expenditures of \$37,125.00 (food, labor and supplies).

The revised draft agreement anticipated revenue is \$70,470 minus expenditures of \$58,725 (food, labor and supplies).

The change in food service contract amount **from \$44,550 to \$70,470** for **SY25-26** After School Snacks Program is due to the change in the number of daily snacks required, from approximately 275 snacks to approximately 435 snacks. The nine locations have not changed.

The revision to the agreement, to be completed, shall begin upon Board approval.
