Synlawn is the most recognized synthetic turf Brand globally and carries the distinction of being the largest turnkey network with over 130 Distributor offices. The key to our success is the focused development and support of Distributors. SYNLawn is one of four surfacing brands of SportGroup including AstroTurf, Rekortan and Laykold. Manufacturing is located in the United States in Dalton, Georgia. Products are covered under the manufacturer's limited lifetime product warranty.

The letter will serve as official declaration that SYNLawn is the Manufacturer. Facilities are located at 2680 Abutment Rd. in Dalton, Georgia with longstanding history of synthetic turf production including the AstroTurf Brand.

SYNLawn Georgia/Alabama owned by Cullen Elam with commercial sales by Chris Gordon is the only approved installer and Distributor of SYNLawn products in those states.

Sincerely,

Robert Dant
Sr. Director, SYNLawn Global Sales
