

**RFP Number:**

683484

**Project Name:**

MRO Supplies

**Business Partner:**

(A) W.W. Grainger

**Award Type:**

Single

**Public Notice Date:**

06/17/2019

**RFP Open Date:**

06/17/2019

**Award Date:**

01/01/2020

**Project Scope Summary:**

The scope includes providing a wide range of products and services necessary for campus maintenance and operations. The selected supplier should offer a comprehensive inventory, from tools and safety equipment to facility management solutions. Additionally, the supplier must provide services like consulting on efficiency improvements, inventory management, and support for sustainability initiatives. This agreement is designed to support the diverse needs of campus departments, ensuring timely delivery and high-quality service.

**Value for E&I Members:**

The single award offers members exceptional value with customizable pricing, financial incentives, and significant discounts. Members can tailor key items to their needs, ensuring budget predictability and resource efficiency. The supplier's strong customer service and specialized support enhances operations, making this partnership highly beneficial for educational institutions.
