ITB 26-715 New and Retread Tires

Bid Form

Bidder must provide costs to DCSD associated with the services requested in this ITB. Pricing must be submitted on this form in the format requested. Alterations to the bid form may result in the bid being deemed non-responsive and rejected.

Pricing shall include all labor, materials, tools, specialized equipment, supplies, trained personnel, insurance, travel, per diem, direct and indirect administrative costs, overhead, tolls, parking, fuel, all other costs and charges necessary to perform the services requested in this ITB.

Firestone or Bridgestone tires are preferred; however, equivalent brands meeting the District's specifications for both new and retread tires will be considered.
