Subject: Policy IKBB – Divisive Concepts Complaint Resolution Process
(Second Reading)

Summary

The District is presenting Policy IKBB – Divisive Concepts Complaint Resolution Process for Second Reading.

Background

The revisions to Policy IKBB – Divisive Concepts Complaint Resolution Process were proposed primarily to align the policy with O.C.G.A. § 20-2-11, also known as the Protect Students First Act. Notably, a Definitions section was incorporated to provide greater clarity regarding the prohibitions by referencing the specific language used in the statute. In the Complaint Resolution Process section, we recommended deleting language addressing the Superintendent's review of a complaint. This language is not included in the statute nor in the Georgia State Board of Education model policy and is more procedural in that it details what information will be reviewed, limiting the Superintendent's discretion. Additionally, we updated references to the binding nature of the Board's final decision to reflect a party's right to appeal to the State Board of Education.

Recommendation

It is recommended that the Bibb County Board of Education approves the revisions to Policy IKBB – Divisive Concepts Complaint Resolution Process.
