

Promoting Language Access in K12 Schools Since 2013

PGLS, LLC provides translation and interpretation services to support English Language Learners and their families. Through our robust network of experienced K-12 linguists, PGLS enables school leaders to support the language access needs of their community in 200+ languages and regional varieties. Our commitment to providing dependable, quality services has made PGLS one of the fastest growing companies in the United States. Our team is ready to help you engage effectively with your community of learners by meeting your needs on any language project, large or small.

The impact of PGLS language services can be felt across the entire district. When linguistic resources are properly deployed in K-12 schools, it can increase student/parent engagement, positively impact social emotional learning indicators, and ultimately improve student outcomes.
