DeKalb County Board of Education

Students	Teachers	Schools
91638	6879	129

Key Financial Facts

The DeKalb County Board of Education revenues have exceeded or equaled expenditures in each of the last three years. The ratios shown indicate adequate assets and reserves. Fund balances are stable since 2025.

Key Finding Areas

Financial	"No findings were reported"
Federal	Policies and procedures of the School District were insufficient to provide adequate internal controls over the employee compensation process as it relates to the Child Nutrition Cluster.
Opinion	Unmodified for all opinion units.
