Scope:

Settlement Payout – ESPLOST V Project ~ Final Payment~ Mobile Modular Company
- Redan Elementary School (32235), Fairington Elementary School (#36135) and
Salem Middle School (36535) HVAC and Renovation Projects.

Background:

The modular classrooms served as swing space during the construction phase of the projects. At the end of construction, the units were returned to mobile modular with damages. After a period of deliberation between Mobile Modular and the District, a settlement was reached for all three sites. The settlement encompasses credits for payment and an agreed upon price to pay for the damages to the modular classroom units.

Approval of the final payment to Mobile Modular Company for the Redan Elementary School (**32235**), Fairington Elementary School (**36135**), and Salem Middle School (**36535**) HVAC and Renovation Projects that will be funded by the **E-SPLOST V Budget Reallocation. \$597,948.46 from Program Contingency to E-SPLOST V Project Fund** which will allow the proper funds to be allocated to the necessary project cost code for the Mobile Modular Company final payment.
