Fullmind Learning/ Elevate K-12

6002 Rogerdale
Houston, TX 77072

Dear Bibb County Schools:

Please accept this sole source letter as a description of Fullmind Learning/ Elevate K-12's (EIN: 46-4450732) unique, state-specific services that are not available via alternate vendors. Our offerings are designed to enhance academic outcomes by providing customized virtual education solutions delivered by state-certified educators across a full range of subjects. These services are proprietary and available exclusively through our organization.

Brief Summary of Services:

Fullmind Learning provides academic support and staffing solutions, encompassing homeschooling, alternative placements, virtual suspension rooms, special education (SPED) services, whole class instruction and more. Utilizing our proprietary Learning Management System (LMS) and Virtual Classroom platform, we connect students with expert educators safely and reliably, backed by data-driven monitoring tools.

Unique Features:

- **Real-Time, State-Certified Instruction:** Provided by state-certified educators in specified subject areas.
- **Proprietary Learning Management System (LMS):** Comprehensive data reporting and progress tracking.
- **Interactive Virtual Classroom:** Live video/audio instruction with embedded educational tools for an engaging, interactive experience.
- **Recorded Sessions:** Available for quality assurance and to support ongoing student learning.
- **Flexible Scheduling & Customized Reporting:** Tailored reports to track progress, attendance, and overall program success.
- **Expanded Services:** Ranging from specialized "education-on-wheels" programs to

No other organization has access to our educator pool, platform, or training systems. Therefore, our services are not available through resellers or other vendors, and Fullmind is the **sole source** for the comprehensive service model described.

If you require any additional documentation or would like to discuss our services further, please feel free to contact us.

Sincerely,
Jenn Russart
