This bid is not inclusive of the following if applicable: leveling of sub-base, removal of existing surface, bleacher removal/
installation, door thresholds, existing wall base removal, wall base molding, moisture mitigation, permits, additional insurance
requirements, business license, or bid bonds as required (unless otherwise specified in writing).

This document presents a comprehensive bid from CBA Sports, detailing the proposed flooring services specifically
for the maintenance of Maple Hardwood flooring. The bid outlines a clear pricing structure that reflects the various
services offered. The pricing is categorized by service type, each with its respective cost per square foot (SF) or
linear foot (LF). It is essential to note that the quoted prices are valid for a period of 6 months from today's date. The bid also explicitly
states that it does not cover any unforeseen conditions or additional work outside the standard scope, such as leveling
of the sub-base, removal of existing surfaces, or other permit and insurance requirements.
This clarity is intended to manage expectations and ensure that all parties are aware of the limitations of the bid.
