BIBB COUNTY SCHOOL DISTRICT

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

To: Board of Public Education for Bibb County ("Board")
Dr. Dan A. Sims, Superintendent

From: Brian Butler, Executive Director of Teaching and Learning
Dr. Ethel Lett, Assistant Superintendent of Teaching and Learning

Subject: Renewal of Imagine Learning - Edgenuity

Summary

Imagine Learning's virtual platform, Edgenuity, is designed to meet the needs of the evolving classroom. Imagine Learning is implemented in-person and virtually within our high schools and the VIP Academy. The platform provides a robust selection of core, elective, and honors courses for initial credit and credit recovery. The curriculum is grounded in research and aligns with the rigor of Georgia's standards. Courses are created by teams of experienced educators and instructional designers with expertise in curriculum development, instructional technology, and content-area education.

Background

For years, Bibb County has used Edgenuity to support students in grades 9–12 with credit recovery, helping them regain momentum toward graduation. Additionally, the platform provides instructional support for students enrolled in traditional face-to-face courses who need more assistance. We also use Edgenuity for initial credit for students who are missing courses, cannot fit required courses into their schedules, and transfer students in need of a personalized schedule to advance toward graduation. Lastly, our virtual program at VIP Academy uses Edgenuity to provide elective credits, advanced course options, world languages, and other courses for students in grades 6–12. For VIP Academy, electives and World Language courses are led by Edgenuity teachers.

A wide range of learning tasks, including independent reading, practice, guided online exploration, projects, and performance tasks help reinforce understanding. Edgenuity provides formative, summative, and authentic assessments to measure student mastery of the learning objectives.
