

CHRONOLOGY OF THE AGENDA ITEM

Alliance Technologies Contract Award

Scope:

The contract award for Alliance Technologies is being presented by the Department of Public Safety to maintain the functionality, compliance, and effectiveness of this critical public safety tool for the upcoming funding cycle.

Contract/Renewal Term:

The contract was approved by DeKalb County Board of Education ("the Board") at the March 13, 2023, meeting followed by a fully executed agreement. The initial contract was awarded for a four-year term consisting of an initial one-year period with three optional one-year renewals.

This current agenda item seeks Board approval for:

Contract Renewal for Alliance Technology, LLC ~ Software, Services, Annual Maintenance & Shipping ~ Year 4 or 4 (Not to Exceed \$1,586,832.55)

Maintaining this contract ensures continuity of operations, timely response from Alliance Technologies for the weapons detection needs for Dekalb County School Safety.
