This **END USER SOFTWARE LICENSE AGREEMENT** (the "**Agreement**") is an agreement between the GSA Customer ("you"), the purchaser of a License for Trusted Knight Products (the "**Customer**") and Trusted Knight Corporation ("**Trusted Knight**"). The terms and conditions of this Agreement apply to the Trusted Knight Products provided by Trusted Knight, hereunder (the "**Software**").

Trusted Knight is willing to license the Software to Customer on the condition that Customer accepts all of the terms in this Agreement. Customer is consenting to be bound by the terms of this Agreement.

Definitions. Unless otherwise defined herein, capitalized terms as used in this Agreement have the meanings set forth in Exhibit B attached hereto.

License.

License Grant. Subject to the terms and conditions of this Agreement, Trusted Knight grants to Customer a worldwide, non-exclusive, non-transferable, limited, license, without the right to grant sublicenses, for the Term set forth herein, to install and use the Software, and solely (i) for its intended and permitted use as identified in an applicable GSA Customer Purchase Order ("Order"), (ii) in accordance with this Agreement (including the limitations on the number of Workstations and/or User licenses set forth in an applicable Order), (iii) for Customer's internal purposes, and (iv) in compliance with all applicable federal laws. Customer may make one (1) copy of the Software solely for backup or archival purposes; *provided, however*, that Customer shall reproduce, on any such copy of the Software, Trusted Knight's copyright notice and any other proprietary rights notices or logos that appear in the original Software.

Restrictions on Use. Customer acknowledges that the Software and its structure, organization, and source code constitute valuable trade secrets of Trusted Knight. Accordingly, Customer shall not, nor shall it permit, assist or encourage any third party to: (i) modify, adapt, alter, translate, or create derivative works from the Software; (ii) merge the Software with other software; (iii) sublicense, distribute, sell, use for service bureau use, lease, rent, loan, or otherwise transfer the Software to any third party; (iv) make available the Software via an outsourcing, timesharing, service bureau, or other arrangement; (v) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Software, or unbundle any of the programs embedded in the Software; (vi) publish results of any program benchmark tests without Trusted Knight's prior written consent; (vii) exceed the permitted number of Workstations and/or Users stated in an applicable Order; (viii) remove any proprietary notices on or relating to the Software; (ix) permit any third party application to access the collection of data indexed by the Software; or (x) otherwise exercise any rights in or to the Software except as expressly permitted hereunder.

Delivery, Installation, and Acceptance. The Software will be deemed accepted as stated in the FAR and the underlying GSA Schedule contract.

Maintenance.

All Trusted Knight products include Maintenance with the Software license, as identified in an applicable Order. Maintenance shall commence on the Effective Date of the Agreement and remain in effect for the duration of the Term specified in the Order.

Payment.

Online. In consideration for the license granted, hereunder, Customer will pay Trusted Knight, the amount determined by an applicable Order based on the GSA Schedule Pricelist. Terms and conditions of payment are governed by an applicable Order and the underlying GSA Schedule Contract.

Additional Workstations; Users. If at any time during the Term, Customer desires to increase the number of Workstations or Users for the Software in excess of the number of Workstations or Users specified in an applicable Order, additional Workstations or Users may be licensed by Customer via a new or modified Order accepted by Trusted Knight. Customer may not increase its use of the Software until Trusted Knight accepts any such Order.

Payment Terms.

For 30-Day Free Trial customers, Customer will be notified when its free trial is expiring, and given the opportunity to execute a new or modified Order for a Software license to continue using the Software.

Taxes. Taxes are subject to FAR 52.212-4(k) which provides that the contract price shall include all federal, state and local taxes and duties. Trusted Knight shall state separately on its invoices, taxes excluded from the fees, and the GSA Customer agrees to either pay the amount of the taxes (based on the current value of the equipment or services) to Trusted Knight or provide it evidence necessary to sustain an exemption, in accordance with FAR 52.229-1 and FAR 52.229-3.

Warranty; Disclaimer.

LIMITED WARRANTY: The Software is warranted to substantially conform to its published specifications, as those exist on the date of delivery to the end user of the Software, for a period of ninety (90) days from the date of delivery. Trusted Knight's sole obligation under this warranty shall be limited to use of commercially reasonable efforts to correct the Software as soon as practical after licensee has notified Trusted Knight in writing of nonconformance.

Disclaimer. Except as expressly set forth above, the Software, the Maintenance, and any other services that may be provided by Trusted Knight to Customer are provided "AS IS" without any warranty of any kind. Trusted Knight, on behalf of itself, hereby expressly disclaims all other warranties with regard to the Software, the Documentation, the Maintenance, and any other services, whether express, implied, statutory or otherwise, including, without limitation, any implied warranties of merchantability, fitness for a particular purpose, title and non-infringement and any warranties arising out of course of dealing or course of performance. Trusted Knight does not warrant that Customer's use of the Software shall be error-free, uninterrupted, virus-free, or secure. Customer acknowledges that it has relied on no other warranties and that no other warranties are made herein by Trusted Knight. Some states or jurisdictions do not allow the exclusion of implied warranties or limitations on how long an implied warranty may last, so the above limitations may not apply to Customer. To the maximum extent permitted by applicable federal law, any implied warranties are limited to thirty (30) days.

Indemnity.

By Trusted Knight. Trusted Knight shall indemnify and hold harmless Customer from and against any action against Customer brought by a third party to the extent the action is based upon a claim that the Software directly infringes any third-party U.S. patent or copyright, or misappropriates any trade secrets recognized as such under the Uniform Trade Secrets Act. If the Software becomes, or in Trusted Knight's opinion is likely to become, the subject of an infringement claim, Trusted Knight may, at its option and expense, either (i) work with the Government to procure for Customer the right to continue using the infringing Software, (ii) replace or modify the infringing Software so that it becomes non-infringing, or (iii) accept return of the infringing Software, terminate the Agreement upon written notice to Customer and refund Customer (in the case of direct sales), or the Reseller from which Customer purchased the Software, a prorated portion of the Software Fees paid for the infringing Software, minus depreciated of the software as provided in U.S. Department of Treasury regulations.

Notwithstanding the foregoing, Trusted Knight shall have no obligations under this section otherwise with respect to any infringement claim based upon: (a) use of the Software not in accordance with this Agreement, or for purposes not intended by Trusted Knight; (b) the use or combination of the Software with other products, equipment, software or data not supplied by Trusted Knight, which but for such combination would not have given rise to an infringement claim; (c) use of any Major Release of the Software other than the most current Major Release made available to Customer; (d) modification of the Software by any person or entity other than Trusted Knight or its employees, agents, consultants and/or independent contractors (collectively referred to as "personnel," hereinafter) or subcontractors authorized to make such modifications; or (e) any activities of Customer or its personnel after Trusted Knight has notified Customer that such activities may result in the infringement of the Intellectual Property Rights of any third party. This section states Trusted Knight's entire liability and Customer's exclusive remedy for claims of infringement.

Procedures. The obligation of the Trusted Knight to indemnify the GSA Customer under this Section 8 is predicated upon the GSA Customer: (i) providing the Trusted Knight with prompt written notice of any such claim; (ii), providing an opportunity for Trusted Knight to intervene in any

litigation, at its own expense, with counsel of its own choosing; and (iii) Trusted Knight reasonably cooperating with the Government, at its request and at Trusted Knight's expense, in the defense and settlement of such claim.

Limitation of Liability. IN NO EVENT WILL TRUSTED KNIGHT BE LIABLE FOR ANY INDIRECT, EXEMPLARY, SPECIAL, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, HOWEVER CAUSED AND REGARDLESS OF THEORY OF LIABILITY ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF TRUSTED KNIGHT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL TRUSTED KNIGHT'S AGGREGATE LIABILITY HEREUNDER, WHETHER IN CONTRACT, TORT, OR OTHERWISE, EXCEED THE FEES ACTUALLY RECEIVED BY TRUSTED KNIGHT PURSUANT TO THIS AGREEMENT. THE WARRANTY AND LIMITATION OF LIABILITY CONTAINED IN THIS AGREEMENT ARE FUNDAMENTAL PARTS OF THE BASIS OF TRUSTED KNIGHT'S BARGAIN HEREUNDER, AND CUSTOMER ACKNOWLEDGES THAT TRUSTED KNIGHT WOULD NOT BE ABLE TO PROVIDE THE PRODUCT TO CUSTOMER ABSENT SUCH LIMITATIONS. THE FOREGOING EXCLUSION/LIMITATION OF LIABILITY SHALL NOT APPLY (1) TO PERSONAL INJURY OR DEATH CAUSED BY TRUSTED KNIGHT'S NEGLIGENCE; (2) FOR FRAUD; (3) FOR EXPRESS REMEDIES UNDER THE SCHEDULE CONTRACT; OR (4) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW.

Term and Termination.

Term. This Agreement shall become effective as of the date executed below ("Effective Date") and, unless earlier terminated as provided in the FAR, the underlying GSA Schedule Contract and/or any applicable Order, shall continue for the Term set forth in an applicable Order.

Termination. When the end user is an instrumentality of the U.S., recourse against the United States for any alleged breach of this Agreement must be made as a dispute under the contract Disputes Clause (Contract Disputes Act). During any dispute under the Disputes Clause, Trusted Knight shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

Effects of Termination. Upon expiration or termination of this Agreement for any reason: (i) all licensed rights granted in this Agreement shall immediately end; (ii) Customer, and its personnel must promptly discontinue use of the Software and erase all copies of the Software from the computers of Customer and its personnel; (iii) Customer and its personnel will return to Trusted Knight or, at Trusted Knight's request, destroy all copies of the Software, Documentation and Trusted Knight Information in the possession or control of Customer or its personnel and certify in writing to Trusted Knight that each has fully complied with these requirements.

Customer may disclose Trusted Knight Information only (i) as necessary for its use of the Software in accordance with this Agreement to Customer's personnel who are bound by confidentiality requirements at least as restrictive as those contained in this Agreement or (ii) if required to do so by subpoena, court order or legal process, provided that Trusted Knight is provided sufficient written notice to request a protective order. When the end user is an instrumentality of the U.S. Government, neither this EULA nor the Schedule Pricelist shall be deemed "Confidential Information" notwithstanding marking to that effect. Notwithstanding anything in this Agreement to the contrary, the GSA Customer may retain such Confidential Information as required by law, regulation or its bona fide document retention procedures for legal, regulatory or compliance purposes; provided however, that such retained Confidential Information will continue to be subject to the confidentiality obligations of this Agreement.

Proprietary Rights. The Software, any Documentation and all Intellectual Property Rights therein, are the exclusive property of Trusted Knight. All rights in and to the Software, the Documentation and Trusted Knight's other Intellectual Property Rights not expressly granted to Customer in this Agreement are reserved by Trusted Knight. Nothing in this Agreement shall be deemed to grant, by implication, estoppel or otherwise, a license under any of Trusted Knight's existing or future Intellectual Property Rights. Customer shall not remove, alter, or obscure any proprietary notices (including without limitation copyright or trademark notices) of Trusted Knight on the Software or the Documentation or any copy thereof.
