GRANT AWARD NOTIFICATION

Dear Superintendent:

Attached are the FY27 CTAE grant allocations as approved by the State Board of Education on June 9, 2026. Each grant award will be loaded into the Consolidated Application (Con App) after this approval date. LEA's receiving grant funds must make all financial records available for review by Georgia Department of Education and Georgia Department of Audits upon request.

The system should budget each grant award using the "FY27 CTAE Budget Guidance" (state and federal) and "FY27 Permissive Use of Perkins Funds" (federal) documents as budgeting resources once available on the GaDOE/CTAE website. The CTAE Region Coordinator is also available to provide assistance if needed.

Please note that the LEA is responsible for ensuring that the budget details for all CTAE state and federal grants are completed with coordinator and superintendent sign off by **5:00 p.m. on September 30, 2026**.

The following requirements must be met before you may spend **any** of the state or federal grant funds:

- The Local Board of Education must approve the FY27 CTAE and Perkins Local Plan.
- The Local Board of Education approval date must be entered on the "Local Board Approval" tab of the Perkins V Program Improvement grant in the Consolidated Application
- The submitted budgets must be approved by GaDOE Grants Accounting.

If for any reason, your system decides it will not be able to use some or all grant funds, you should notify the GaDOE/CTAE Division **no later than September 30, 2026**, via email to Lplan@doe.k12.ga.us.

The email should include:

- (1) the name of the grant
- (2) the amount that is being returned
- (3) the reason for returning the funds

This will allow us to recapture these funds and obtain State Board approval to redistribute funds to other systems.
