ACTION MEMORANDUM

Dr. Dan A. Sims, Superintendent

From: Eric Bush, Chief Financial Officer
Jamie Cassady, Assistant Superintendent of Student Affairs

Subject: FY 2027 Atrium Health Navicent Agreement (School House Health)

Summary

It is recommended that the Bibb County Board of Education authorizes the Superintendent to continue the Atrium Health Navicent agreement for the FY 2027 school year.

Background

In 1994, the Bibb County School District, in partnership with The Medical Center of Central Georgia (now known as Atrium Health Navicent), began providing nursing services in the student health clinics in our schools. The District reimburses Atrium Health Navicent for their staff salaries, benefits, and leave accrual.

Our agreement with Atrium Health Navicent needs to be renewed to provide for continuation of nursing services through the end of the 2027 fiscal year. Attached is a copy of the proposed agreement which includes a listing of the nursing services provided by the clinics (Attachment A) and a copy of the Proposed Budget for the FY 2027 school year (Attachment B).

The FY 2027 contracted amount with Atrium Health Navicent is $1,996,452.17. This amount is $368,214.17 or 18% increase than last year's contract. The cost includes salary adjustments for staff who have reached service milestones and BSN differential for the RN staff.

Recommendation

It is recommended that the Bibb County Board of Education authorizes the Superintendent to continue the Atrium Health Navicent agreement for the FY 2027 school year at a cost of $1,996,452.17, which will be funded through the General Fund.
