Dear Interim Superintendent, Board Members, and DeKalb County Principals,

It is my honor, on behalf of New Birth Missionary Baptist Church, to extend our sincere appreciation for your partnership and for the opportunity to recognize the incredible leadership of the principals serving the students, families, and communities of the DeKalb County School District.

At New Birth, we believe that strong schools are built upon strong leaders. Your daily commitment, sacrifice, and unwavering dedication to the success of our students do not go unnoticed, and we are grateful for the impact you make throughout our community.

As a tangible expression of our appreciation, New Birth Missionary Baptist Church is honored to provide a gift box valued at \$300 to each principal representing the 137 schools and centers across the DeKalb County School District. This represents a total investment of \$41,100 in support of those who faithfully lead our schools.

Each gift box has been thoughtfully curated with items intended to encourage, equip, and celebrate you. It is our hope that these gifts serve as a reminder that your work matters, your leadership is valued, and you have a community that is praying for and cheering you on.

We believe that investing in educational leaders is an investment in the future of our children and our communities. New Birth is committed to building meaningful partnerships that strengthen families, support educators, and create lasting impact beyond the walls of our church.

Thank you for allowing us the privilege of honoring you. We look forward to continuing our partnership with the DeKalb County School District and finding new ways to serve together for the benefit of the students and families we all care so deeply about.

In partnership and purpose,

Pastor DeWayne Nigh

Executive Pastor of Leadership & Connections
