Insurance and Risk Management Provisions

The following is the minimum insurance and limits that the Contractor/Vendor must maintain. If the Contractor/Vendor maintains higher limits than the minimum shown below, Fulton County Government requires and shall be entitled to coverage for the higher limits maintained by the Contractor/Vendor.

It is Fulton County Government's practice to obtain Certificates of Insurance from our Contractors and Vendors. Insurance must be written by a licensed agent in a company licensed to write insurance in the State of Georgia, with an A.M. Best rating of at least A- VI, subject to final approval by Fulton County. Respondents shall submit with the bid/proposal evidence of insurability satisfactory to Fulton County Government as to form and content. Either of the following forms of evidence is acceptable:

A letter from an insurance carrier stating that upon your firm/company being the successful Bidder/Respondent that a Certificate of Insurance shall be issued in compliance with the Insurance and Risk Management Provisions outlined below.

- A Certificate of Insurance complying with the Insurance and Risk Management Provisions outlined below (Request for Bid/Proposal number and Project Name, Number and Description must appear on the Certificate of Insurance).
- A combination of a specific policy written with an umbrella policy covering liabilities in excess of the required limits is acceptable to achieve the applicable insurance coverage levels.

Any and all Insurance Coverage(s) and Bonds required under the terms and conditions of the contract shall be maintained during the entire length of the contract, including any extensions or renewals thereto, and until all work has been completed to the satisfaction of Fulton County Government. Evidence of said insurance coverages shall be provided on or before the inception date of the Contract.

Accordingly the Respondent shall provide a certificate evidencing the following:

1. WORKERS COMPENSATION/EMPLOYER'S LIABILITY INSURANCE STATUTORY (In compliance with the Georgia Workers Compensation Acts, including but not limited to U.S. Longshoremen and Harbor Workers Act and any other State or Federal Acts or Provisions in which jurisdiction may be granted)

(Including operation of non-owned, owned, and hired automobiles).

4. UMBRELLA LIABILITY Per Occurrence/Aggregate \$2,000,000/\$2,000,000
(in excess of above noted coverage)

Certificates of Insurance

Contractor/Vendor shall provide written notice to Fulton County Government immediately if it becomes aware of or receives notice from any insurance company that coverage afforded under such policy or policies shall expire, be cancelled or altered. Certificates of Insurance are to list Fulton County Government, its Officials, Officers and Employees as an Additional Insured (except for Workers' Compensation), using ISO Additional Insured Endorsement form CG 2010 (11/85 version), its' equivalent or on a blanket basis.

The Contractor/Vendor insurance shall apply as Primary Insurance before any other insurance or self-insurance, including any deductible, non-contributory, and Waiver of Subrogation provided in favor of Fulton County Government.

If Fulton County Government shall so request, the Contractor/Vendor shall furnish the County for its inspection and approval such policies of insurance with all endorsements, or confirmed specimens thereof certified by the insurance company to be true and correct copies.

Such certificates and notices must identify the "Certificate Holder" as follows:

Fulton County Government – Purchasing and Contract Compliance Department
130 Peachtree Street, S.W.
Suite 1168
Atlanta, Georgia 30303-3459

Certificates must list Project Name (where applicable).

Important:

The obligations for the Contractor/Vendor to procure and maintain insurance shall not be constructed to waive or restrict other obligations. It is understood that neither failure to comply nor full compliance with the foregoing insurance requirements shall limit or relieve the Contractor/Vendor from any liability incurred as a result of their activities/operations in conjunction with the Contract and/or Scope of Work.

USE OF PREMISES

Contractor/Vendor shall confine its apparatus, the storage of materials and the operations of its workers to limits/requirements indicated by law, ordinance, permits and any restrictions of Fulton County Government and shall not unreasonably encumber the premises with its materials (Where applicable).

INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

Professional Services Indemnification. With respect to liability, damages, costs, expenses (including reasonable attorney's fees and expenses incurred by any of them), claims, suits and judgments that arise or are alleged to arise out of the Consultant/Contractor's acts, errors, or omissions in the performance of professional services, the Consultant/Contractor shall indemnify, release, and hold harmless Fulton County, its Commissioners and their respective officers, members, employees and agents (each, hereinafter referred to as an "Indemnified Person"), from and against liability, damages, costs, expenses (including reasonable attorney's fees and expenses incurred by any of them), claims, suits and judgments only to the extent such liability is caused by the negligence of the Consultant/Contractor in the delivery of the Work under this Agreement, but such indemnity is limited to those liabilities caused by a Negligent Professional Act, as defined below. This indemnification survives the termination of this Agreement and shall also survive the dissolution or to the extent allowed by law, the bankruptcy of Consultant/Contractor.

For the purposes of the Professional Services Indemnity above, a "Negligent Professional Act" means a negligent act, error, or omission in the performance of Professional Services (or by any person or entity, including joint ventures, for whom Consultant/Contractor is liable) that causes liability and fails to meet the applicable professional standard of care, skill and ability under similar conditions and like surrounding circumstances, as is ordinarily employed by others in their profession.

Consultant/Contractor obligation to indemnify and hold harmless, as set forth hereinabove, shall also include, but is not limited to, any matter arising out of any actual or alleged infringement of any patent, trademark, copyright, or service mark, or other actual or alleged unfair competition disparagement of product or service, or other tort or any type whatsoever, or any actual or alleged violation of trade regulations.

Consultant/Contractor further agrees to indemnify and hold harmless Fulton County, its Commissioners, officers, employees, subcontractors, successors, assigns and agents from and against any and all claims or liability for compensation under the Worker's Compensation Act, Disability Benefits Act, or any other employee benefits act arising out of injuries sustained by any employees of Consultant/Contractor. These indemnities shall not be limited by reason of the listing of any insurance coverage.

PROTECTION OF PROPERTY

Contractor/Vendor will adequately protect its own work from damage, will protect Fulton County Government's property from damage or loss and will take all necessary precautions during the progress of the work to protect all persons and the property of others from damage or loss.

Contractor/Vendor shall take all necessary precautions for the safety of employees of the work and shall comply with all applicable provisions of the Federal, State and local safety laws and building codes to prevent accidents or injury to persons on, about, or adjacent to the premises where work is being performed.

Contractor/Vendor shall erect and properly maintain at all times as required by the conditions and progress of the work, all necessary safeguards for the protection of its employees, Fulton County Government employees and the public and shall post all applicable signage and other warning devices to protect against potential hazards for the work being performed (Where applicable).

CONTRACTOR/VENDOR ACKNOWLEDGES HAVING READ, UNDERSTANDING, AND AGREEING TO COMPLY WITH THE AFOREMENTIONED STATEMENTS, AND THE REPRESENTATIVE OF THE CONTRACTOR/VENDOR IDENTIFIED BELOW IS AUTHORIZED TO SIGN CONTRACTS ON BEHALF OF THE RESPONDING CONTRACTOR/VENDOR.

- Passenger Safety: Employees will be trained on how to interact with passengers while in transport. This includes knowing all requirements for ADA passengers. In addition, occasional sensitivity training will be required
- Accident Response: Employees will be trained on how to respond after being involved in an accident.
- Mobility Aid Safety: Employees will be trained on how to properly operate vehicle wheelchair lifts. They will also be trained on how to properly tie down and secure the wheelchair

MTI takes all necessary precaution to ensure each employee receives proper training prior to being released to perform any service. It is our goal to ensure safety is always the key priority when transporting passengers.

Back-up and Contingency Plan

If a key team member must be replaced during the agreement there are several steps in which MTI would take to ensure the expected level of service is continued. Our main goal is to provide a standard operating procedure manual. This SOP will be specifically dedicated to the Dekalb County School District (DCSD) Transportation Services. It will outline the activities necessary to complete the day to day tasks for all personnel. In the event a key personnel member is replaced this SOP will allow a current staff member to take over the specific operation utilizing the step by step documentation. Additionally, MTI promotes cross-training within the company. MTI cross training consist of teaching employees who are hired to perform one job function the skills required to perform other job duties within the same scope of work. The best way to accomplish this goal is to get staff members involved in each other's business respectfully. Cross training has the additional benefit of the team working together to help each other.

As it relates to replacing a scheduled driver MTI would have a driver on standby daily. This person would fill in any shift that was presented vacant due to a scheduled driver not being able to make their shift. By having a standby driver, it doesn't cause a service failure due to lack of man power.

Given our Diverse fleet of over 50 vehicles, MTI will ensure there is always a vehicle ready and available to assist the needs of Dekalb County School District (DCSD) .

Service Level Performance Standards for Contract Customers

MTI will use the detailed Service Level Performance Standard to internally measure performance with clients for which we have regular transportation services agreements and contracts.

Each Service Level Performance Agreement will focus and measure the following areas.

- Customer Service {Client, Sales and Operations Feedback}
- Safety | tracking of incidents, accidents, monitoring GPS data|

- On-Time Performance [Using GPS data & client feedback]
- Mechanical Fitness {Maintenance Records, DVIR information}

Measurements will be based and calculated on the total trips per month against the performance goals. Currently these performance metrics will apply to transportation services provided to The Home Depot and to Eggleston's Children's Healthcare of Atlanta. The matrix below identifies the performance goals for each of the focus categories:

Category	Performance Standard % Goal	Results	Defined By:
Customer Service	98.5%		Professionalism, Responsiveness, Customer Feedback, Management Observations
Safety	98.5%		Customer Feedback, Management Observations
On-Time Performance	98%		GPS data and monitoring
Mechanical Fitness	98%		Tracking vehicle failures, DVIR data
Overall	98%		

Methodology:

- Data will be solicited and gathered every Monday for the previous seven (7) day period e.g., Monday through Sunday of prior week
- At the end of the month the data and customer feedback will be reviewed in order to calculate percentages
- Monthly report will made available to members of management to be shared with each departmental team to determine performance against goals. {Delivered by 7th business day following Month end}
- Achievement of performance goals are to be celebrated. Departmental leaders need to develop plan for recognizing and rewarding achievement of the performance goals

- If goals are not achieved, then management team needs to come together to develop improvement strategies for implementation

To meet the technology standards of the Dekalb County School District (DCSD), MTI will utilize
