Reach out to your Convergent account executive to learn how our support services can help. And if you have a service plan, you are responsible for promptly notifying Convergent in the event of any defect, malfunction, or performance issue with the products and services.
- **Various factors can impact product performance.** Selecting products and settings may involve tradeoffs between the level of security and safety on the one hand and speed, convenience, and cost on the other hand. Convergent can give you guidance, but you are ultimately responsible for selecting products and settings based on your organization's risk profile and tolerance.
- **The products are made by third-party manufacturers, not Convergent.** You are bound by and must use, test, and maintain the products in accordance with the manufacturer's terms and instructions. Convergent does not independently validate the accuracy of claims or statements made by manufacturers, and makes no assurances regarding their accuracy. You are responsible for using the products and services in compliance with laws and regulations applicable to you or as permitted in your jurisdiction.

Supply Chain Delays & Price Adjustments: Customer acknowledges that supply chain disruptions and shipping delays may occur for reasons beyond Convergent's reasonable control and agrees to grant reasonable extensions for such delays. Pricing is based on current market conditions and excludes increases due to tariffs, duties, manufacturer-imposed surcharges, or other cost increases arising from trade policy, regulatory actions, or external factors beyond Convergent's control. If such cost increases arise, Convergent will submit a formal change order, and Customer agrees to approve reasonable adjustments. Convergent will use commercially reasonable efforts to minimize such increases.
