BIBB COUNTY SCHOOL DISTRICT

Dr. Dan A. Sims, Superintendent

ACTION MEMORANDUM

To: Board of Public Education for Bibb County ("Board")
Dr. Dan A. Sims, Superintendent

From: Dr. Shirley McClendon
Director of Before and After School Programs

Dr. Jarred Moore
Director of GEAR UP

Dr. Lori Rodgers
Assistant Superintendent of District Effectiveness and Federal Programs

Subject: FY27 Digital Learning Program (Edmentum)

Summary

The Bibb County School District seeks Board approval to renew the Edmentum digital learning platform for FY27.

Background

Edmentum is a research-based digital learning platform that provides diagnostic assessments, personalized learning paths, and standards-aligned instructional resources for students in grades K–12. The platform will support students participating in the 21st Century Community Learning Centers (21st CCLC) and GEAR UP programs by providing personalized instruction, targeted intervention, and progress monitoring to improve academic achievement and college and career readiness.

The platform enables teachers to identify learning gaps, deliver targeted instruction, monitor student progress, and support academic growth during after-school tutoring. Edmentum is the sole source provider of the Exact Path: Core Learning Path and Standards Mastery: Core Library programs.

Recommendation

It is recommended that the Bibb County Board of Education approves the renewal of the Edmentum digital learning platform for FY27 in the total amount of $298,310.35.

The renewal will be funded through the following federal grants:

- GEAR UP: $146,052.00
- 21st Century Community Learning Centers (21st CCLC): $152,258.35
