Key Quotes

-  “It was very fun and I wish we had more of it!”
-  “Shield Day was really enjoyable! I liked making charcuterie boards and seeing how dementia affected the elderly.”
-  “I enjoyed collaborating with my fellow students learning about other pathways and opportunities that I had previously not known about.”
-  “I thought Shield Day was fun and gave us a break from our regular school day to learn more about the pathways we would like to go into.”
-  “I thought it was really fun! It was so awesome just getting to talk to everyone since they had such interesting jobs and career choices. It was nice to learn about the different paths within a career or specialty.”
