Enclosed is the ballot material for election to CSBA’s Delegate Assembly from your region or subregion. It consists of: 1) the ballot (on red paper) listing the candidates, the reverse side of which contains the names of ALL current members of the Delegate Assembly from your region or subregion; and 2) the required candidate biographical sketch form and, if submitted, a resume. In addition, provided is a copy of the ballot on white paper to include with your board agenda. **Only the ballot on red paper is to be completed and returned to CSBA. It must be postmarked by the U.S. Post Office on or before Tuesday, March 15, 2022.**

Your Board may vote for up to the number of seats to be filled in the region or subregion as indicated on the ballot. For example, if there are three seats up for election, the Board may vote for up to three candidates. However, your Board may cast no more than one vote for any one candidate. The ballot also contains a provision for write-in candidates; their name and district must be clearly printed in the space provided.

The ballot must be signed by the Superintendent or Board Clerk and returned in the enclosed envelope; if the envelope is misplaced, you may use your district’s stationery. Please write **DELEGATE ELECTION** prominently on the envelope along with the region or subregion number on the bottom left corner of the envelope (this number appears at the top of the ballot). If there is a tie vote, a run-off election will be held. Results will be published by May 11, 2022.

All re-elected and newly elected Delegates will serve two-year terms beginning April 1, 2022 – March 31, 2024. Are you an incumbent Delegate? Yes No If yes, year you became Delegate: 2018

Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly.

I am interested in serving as a CSBA Delegate because I believe my experience in, and passion for, public education makes me an excellent representative for local school boards. CSBA regularly demonstrates its value as an advocate, such as with the Full and Fair Funding initiative. Engaging in, and supporting, CSBA's efforts on our behalf is critical to our success as individual districts. I bring to the position my 23 years of service as a public school trustee, combined with the experience gained from a 30+ year career in municipal human resources. With this background I can listen to, synthesize, and articulate district concerns to CSBA.

Please describe your activities and involvement on your local board, community, and/or CSBA.

I have been a member of the Bennett Valley Union School District Board of Trustees for 23 years. I have served as Board President and as a member of the board Policy Committee and the Labor Negotiations team. I have served on the Sonoma County Committee on School Board Organization for 14 years. During my 4 years as a CSBA Delegate, I have attended all Delegate Assembly meetings, served as a validator for Golden Bell Award nominations and have volunteered to serve on the CSBA task force on climate change. My community service has included time as a board member of the Bennett Valley Education Foundation and the 4Cs.

What do you see as the biggest challenge facing governing boards and how can CSBA help address it?

The challenge facing Sonoma County schools today is meeting the educational needs of a community which has seen multiple traumatic events in recent four years. Our students and staff need resources to address losses from distance learning, adapt to teaching in the era of COVID, and provide emotional support in addressing the accumulating trauma from the past four years of fire, smoke, flood, and pandemic. CSBA is positioned to make the legislature aware of these issues. In the next year this will include responding to the enrollment cliff in many districts as well as on-going issues with funding for special ed and pensions.
