NEW SCHOOL MODEL @EAHS

OUR DESIGN TEAM JOURNEY

Elsie Allen High School Graduate Profile

*Created with students, families, and staff at EAHS and CCLA +
our Sonoma county community industry partners*

When I graduate,

- I will be motivated to connect to my purpose to overcome obstacles and reach my goals
- I will be able to navigate educational and job opportunities so that I feel empowered to reach my goals
- I will be open-minded so that I can embrace global ideas and experiences in the community and world around me
- I will be able to communicate so that I can build empathy, trust, and respect with others
- I will be educated so that I can be financially empowered

Cuando me gradúe,

- Estaré motivado para conectarme con mi propósito para que yo tenga las ganas de superar los obstáculos y alcanzar mis metas.
- Podré navegar por oportunidades educativas y laborales para sentirme capacitado para alcanzar mis metas.
- Mantendré una mente abierta para poder experimentar ideas y experiencias globales en la comunidad y el mundo que me rodea.
- Seré capaz de comunicarme para poder generar empatía, confianza y respeto con los demás.
- Tendré la educación para poder empoderarse económicamente.

Multilingual Services

Dual immersion:

- K-12 “pipeline” from CCLA to EAHS, starting with 9th grade in fall 2022
- Multilingual, beyond English and Spanish

Newly immigrated students:

- World House model
- District-wide (middle school) - 73 students

Imagine...

- What this might look and feel like in Fall 2022 and beyond

Career Technical Education (CTE)

EAHS CTE Programs:

- Agriculture - 324 students
- Public Safety - 29 students

District CTE Advisory Committee:

- Graduate Profile
- Leverage existing and expand partnerships

Imagine...

- What this might look and feel like in Fall 2022 and beyond

Why is our work important to current and future students of Elsie Allen High School?

Why is our work important to students
in Santa Rosa City Schools,
other districts in California,
and across the country and world?
