Phone:	(707) 890-3915	Grade Span:	K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fj/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About This School

Principal, Brook Hill Elementary

About Our School

Brook Hill Elementary School was founded in 1962 and is located in a quiet neighborhood close to Doyle Park. This Elementary School serves students from grades Kinder Academy through 6th grade. Brook Hill teachers, staff, students, and families work together to ensure that students are able to learn in a positive and welcoming place. The entire school community takes pride in our school. We often call ourselves a "Bobcat Family" since our school mascot is the bobcat and we truly feel like one big family. Our Bobcat Teachers and Staff pride themselves on their ability to provide a dynamic education that focuses on academic growth for all students.

These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 01/01/22 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **SARC Reporting in the 2020–2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

 - Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
 - Uniformly administered across a grade, grade span, school, or district to all eligible students.
 - **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
 - Smarter Balanced ELA and mathematics summative assessments;
 - Other assessments meeting the SBE criteria; or
 - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
 - **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2021-2022)

Parents are vital to the Brook Hill community, serving on the School Site Council, English Language Advisory Committee, Parent Faculty Organization (PFO), and acting as classroom volunteers and field trip supervisors. Our PFO is an active and dedicated groups which works together to support the school campus. They often plan fundraisers, help fund projects on campus such as campus beautification, and organize an Annual Bobcat Dinner during Open House each year. Brook Hill is proud of the diversity of its population and we hold all meetings in English and Spanish. If you would like to volunteer at our school contact the principal, Indy Monday, at (707) 890-3915.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2018-2019	School 2020-2021	District 2018-2019	District 2020-2021	State 2018-2019	State 2020-2021

Expulsions	0.00%	0.00%	0.00%	0.00%	0.08%	0.00%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-2020	District 2019-2020	State 2019-2020
Suspensions	5.25%	2.00%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

School Safety Plan (School Year 2021-2022)

School Site Council (SSC) oversees emergency preparedness supplies and emergency drills, and updates the School Safety Plan each year. Brook Hill's SSC includes school staff, parents, and Admin. Part of keeping our Bobcat Families engaged in the safety of our school includes regular communication about safety, communication regarding drills, and conversions during stakeholder committee meetings. On site safety is a top priority and includes student supervisor before school, during recess times, and after school. On campus we use three overarching rules to guide our work on campus with BE SAFE as one of them.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

*At or above the grade-level standard in the context of the local assessment administered.

Note: LEAs/schools will populate this table for schools in cases where the school administered a local assessment.

Note: LEAs/schools will populate double dashes (--) in this table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: In cases where all the schools in this LEA administered only the CAASPP for ELA assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this LEA.
