By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### About Our School

---

Welcome to Steele Lane Elementary School! Steele Lane is a KA-6 grade school serving approximately 420 students. Our staff is committed to working collaboratively to provide a high quality, standards-based curriculum that will support our students in becoming college and career ready. Teachers provide opportunities for students to build 21st Century Skills that include communication, creativity, collaboration and critical thinking. As a school community, we strive to create a warm, supportive environment that promotes self-discipline, motivation and commitment of all students to do their personal best.

Steele Lane has an active parent community in both the English Learner Advisory Committee and the Steele Lane Enrichment Foundation. We have organized this Foundation to support the school in the development of cultural arts by raising funds through a variety of methods including a yearly Walk-a-Thon. The enrichment opportunities have come to include an art docent, garden coordinator and our Viking Basketball program for both boys and girls.

## **School Description and Mission Statement (School Year 2021—2022)**

Steele Lane Elementary School is dedicated to providing a safe, equitable environment for students, families and staff. We will develop lifelong learners with a strong sense of self and acceptance of others who are prepared to thrive as part of a greater community.

Our vision is to Imagine, Innovate and Inspire all who walk through our doors.

**WE BELIEVE THAT...**

All students can learn.

Each student is a valued individual with unique physical, social, emotional, and intellectual needs.

The development of the curriculum, design of instructional activities, and the use of assessment measures are focused on providing learning opportunities and feedback systems that enable students to achieve success.

Students need to not only develop a deep understanding of essential knowledge and skills, but also need to develop the capacity to apply their learning, and to reason, solve problems, and produce quality work.

The goal of our educational programs is to prepare students to become contributing members of society.

These standards-based units of study were developed over several years by SRCS teachers in response to the Common Core State Standards and the decision not to adopt a traditional ELA curriculum. They are designed to meet our students' interests and needs, and to be culturally responsive. Each unit of study within the CCD model is anchored on a cluster of interdisciplinary standards or learning goals. These integrated units support the teaching of ELA standards through the content of science and social studies. They are based on a collaborative, inquiry model of instruction with a focus on critical thinking and real-world problem solving that guide learners to higher levels of rigor and sophisticated thought. ## School Facility Conditions and Planned Improvements

The district uses the Facilities Inspection Tool (FIT) which was developed by the State of California Office of Public School Construction to evaluate the conditions at each school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the school conditions at each school site on a scale of "exemplary," "good," "fair," or "poor". Detailed information from the FIT is listed in Section IV of the complete SARC and is also available at the District Office.

This school was inspected on 01/01/22 and had an overall rating of "good".

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **SARC Reporting in the 2020–2021 School Year Only**

Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

    - Aligned with CA CCSS for ELA and mathematics;
    - Available to students in grades 3 through 8, and grade 11; and
    - Uniformly administered across a grade, grade span, school, or district to all eligible students.
  - **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
    - Smarter Balanced ELA and mathematics summative assessments;
    - Other assessments meeting the SBE criteria; or
    - Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
  - **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2021-2022)

Our School Site Council, which always includes staff and parent members, approves our school's annual plan, budget expenditures and safety plan. The School Site Council seeks input from the English Learners Advisory Committee. Our English Learners Advisory Committee is a parent organization that discusses issues and concerns relating to the needs of their English Learning children. The Committee also makes suggestions that can help all English Learners in the district as well as Steele Lane.

Together, with the Steele Lane Enrichment Foundation, ELAC organizes many fundraising events including our Winter Fiesta in December and Celebration of the Child in May. Steele Lane has also organized the Steele Lane Enrichment Foundation to assist the school by raising and providing funds for designated areas of need. Its focus has been on supporting enrichment for our students. This has included an art docent, garden coordinator and other assemblies and activities. We always need and welcome new members to all of the above organizations. All families are invited and encouraged to attend. (COVID Guidelines being followed) Please call the school at 707-890-3945 for more information about meeting days and times.

## **State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2018-2019	School 2020-2021	District 2018-2019	District 2020-2021	State 2018-2019	State 2020-2021

Expulsions	0.00%	0.00%	0.00%	0.00%	0.08%	0.00%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-2020	District 2019-2020	State 2019-2020
Suspensions	1.39%	2.00%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

**School Safety Plan (School Year 2021-2022)**

Staff members supervise the playgrounds at recess, and students follow our playground safety guidelines. Our Leadership committee oversees monthly safety drills and meets in September to update our school safety plan. Our clean, safe campus reflects the pride we have in our community and in ourselves. Steele Lane has adopted the BEST program, Building Effective Schools Together. This program is a positive behavior support program that emphasizes clear behavioral expectations and positive recognition for students. The three BEST rules are We Are Safe, We are Respectful and We are Responsible. Monthly Student of the Month assemblies give teachers the opportunity to publicly recognize students demonstrating that they are safe, respectful and responsible.

## Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

Note: LEAs/schools will populate this table for schools in cases where the school administered a local assessment.

Note: LEAs/schools will populate double dashes (--) in this table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: In cases where all the schools in this LEA administered only the CAASPP for ELA assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this LEA.
