Goal 1:

Eliminate opportunity gaps by 2025

Goal 2:

Goal 3:

Beginning the Process: Operationalizing the Strategic Plan

In 2020, the NC State Board of Education passed an **Action Plan Framework** that details a process for the implementation of the strategic priorities

2020-2021 brought about unprecedented changes - new leadership, new legislation, and new challenges for our educators and students.

This presents an opportunity to update the action framework of the State Board's five-year strategic plan.
