Subject: Installation of Signs on Golden Rain Foundation Property

Purpose: To Establish a Policy Governing the Placement of Signs or Plaques

All requests for the installation of signs or plaques on property under the control of the Golden Rain Foundation shall require the prior approval of the Policy Committee and the Board of Directors in order to ensure that such signs are in harmony with the general Rossmoor setting.

Applications for signs, including trail names or plaques may be made by letter directed to the GRF General Manager. Exceptions noted below can be authorized administratively by staff:

1) Signage related to GRF rules/policies.

2) Signage related to construction.

3) Traffic/pedestrian/bicycle/golf cart signs posted by the GRF.

4) Signage posted or mandated by government agencies.

5) Directional or way finding signs installed by the GRF., ~~except any new personally named trails created after January 1, 2022, will require Board approval.~~

6) Signage related to utility services.

7) Signage related to GRF sanctioned or sponsored events/activities, e.g., farmer's market, health clinics, restaurant/bar, meetings of government agencies or elected public officials.

8) Temporary signage/banners/decorations authorized by the GRF.

9) Signage related to resident/club/organization events only during the hours of the event at the immediate conclusion of which the signage shall be removed.

10) Signs identifying plant species or providing information about gardens or garden features.

~~11) Plaques installed on benches or other approved furniture purchased through the Landscape Department with funds donated by residents or clubs.~~
