Voyager Academy

Student developed questions drive project-based learning that is based on seven essential elements of project design. Voyager students routinely share student work publicly with community partners.

Promising Practices - Authentic Learning

Yadkin Valley Regional Career Academy

Students have options of a diploma, certificate, or degree in a variety of specific areas including engineering, health, public safety, technology, and business. Teachers and students utilize the engineering design process to deliver instruction.

Foothills Community School

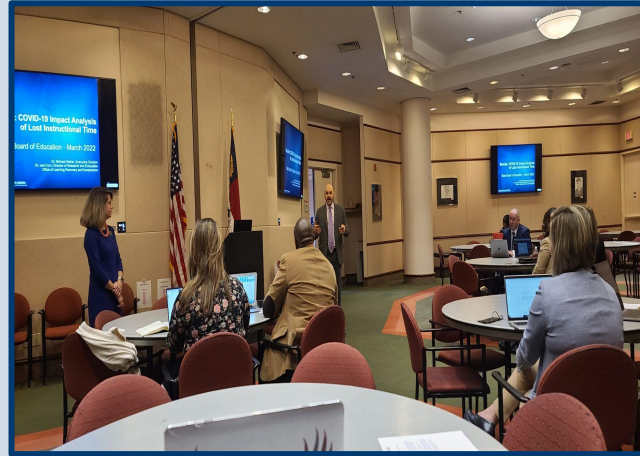

The middle grades project based magnet school integrates subjects through STEM by focusing on the community through service learning and careers.

Principal Summit

The North Carolina Principal Advisory Committee was created out of a need for immediate feedback to inform policy and directives from SBE, NCGA and DPI, prior to it's deployment to the field.

Principal Summit Topics: POG, ATR (Best NC), OLR, Teacher Engagement and Blended Learning (Friday Institute)

Principal Summit

The NCPAC's Principal's Summit culminated with a visit to the North Carolina General Assembly.

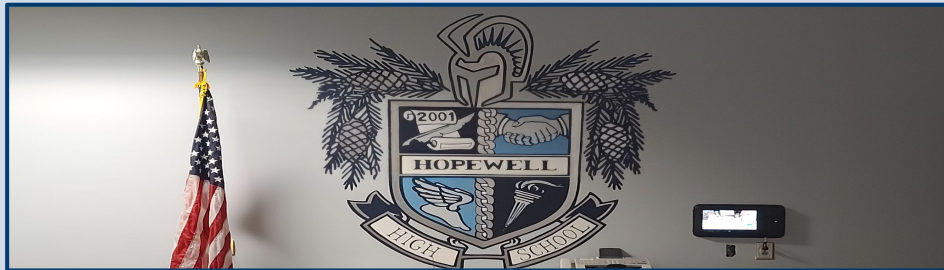

Thank you to Rep. John Torbett, Rep. John Bell, Rep. Steve Tyson and Sen. Michael Lee for hosting and engaging with us!

Titan Moms & Dads On Mission

Hopewell High School in partnership with the school community, created the Titan Dads and Moms on Patrol initiative.

Parents are extremely visible as they walk the halls and use positive relationships to take a proactive approach in reducing discipline infractions

Titan Moms & Dads On Mission

Before this program was deployed, Hopewell High experienced a high volume of discipline occurrences. Now, they have had only one serious fight and a profound reduction in discipline!

The Zin Lab, SEL reset using meditation, yoga and other interventions!
