PURCHASE OF METAL DETECTORS

Dr. Jamie Durant, Chief Operations Officer
March 25, 2024

OVERVIEW

RSS was awarded a School Safety grant in the amount of \$386,851.00 from the Department of Public Instruction.

INFORMATION

- An allotment of \$328,823.35 was received in February 2024, & the remaining \$58,027.65 will be distributed in SY '24-'25.
- The Safety Department received \$281,380.00 & Student Services received \$48,000.00 that can be utilized in SY '23-'24.
- The remaining funds will be distributed after July 1, 2024.

KEY POINTS

We solicited quotes from three vendors on the purchase of Open Gate metal detectors to be utilized in the schools; however, we only received two.

Point Security, Inc. submitted the lowest responsible quote in the amount of \$225,630.81.

RECOMMENDATION

To approve entering into a contract with Point Security, Inc. to purchase 12 Open Gate metal detectors, including installation & training in the amount of \$225,630.81.
