

Recommendations for K-12 Science Instructional Material/Textbooks

Dr. Jarrod Dennis, Chair, NC Textbook Commission

Mrs. Kathleen Linker, Co-Chair, NC Textbook Commission

Deepak Sharma, Instructional Resource Consultant, NCDPI

About the NC Textbook Commission

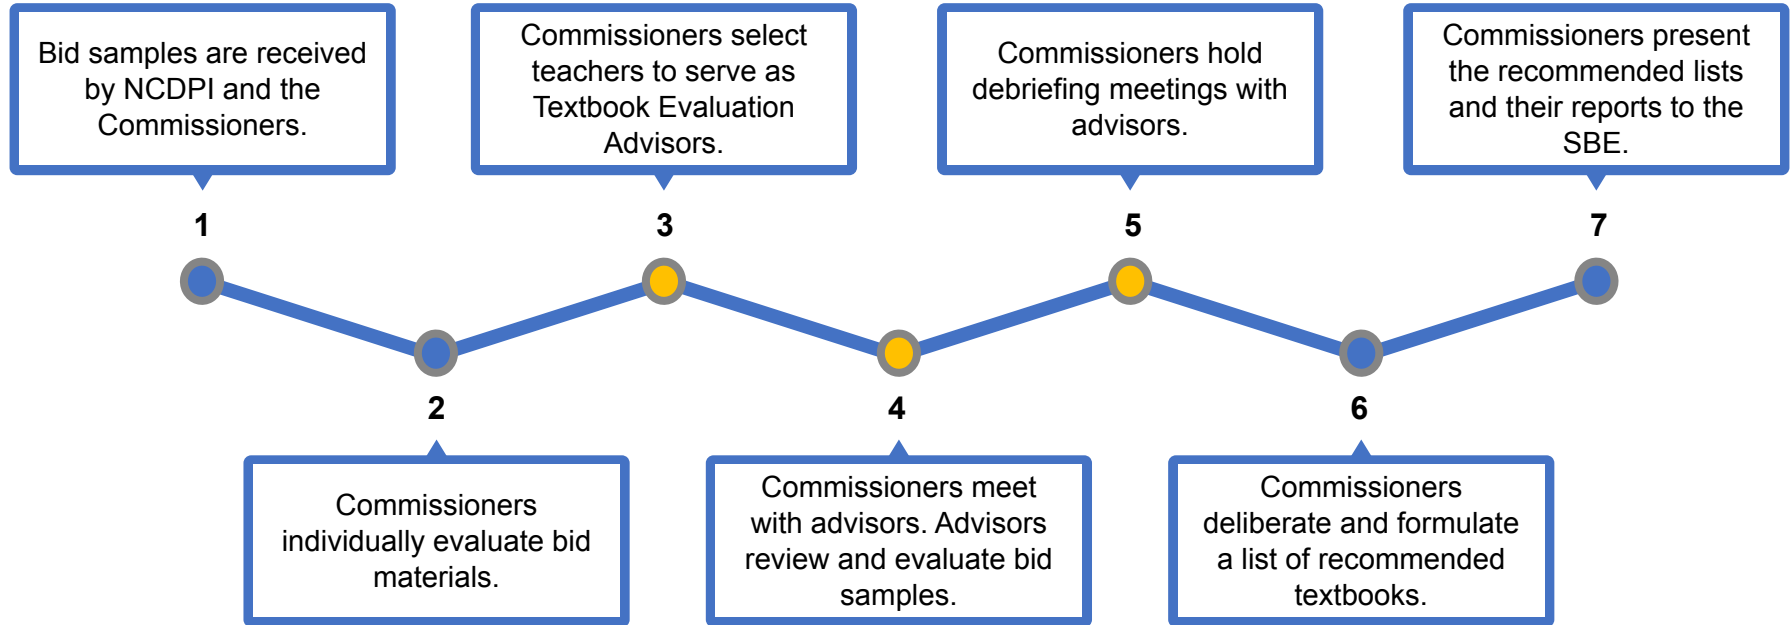

The Textbook Commission consists of **parents, principals, and teachers** who represent elementary, middle school, and high school levels and one **superintendent** of a local school administrative unit.

The purpose of the Commission is to provide PSUs a list of state adopted reviewed resources which are standards aligned.

According to SBE Policy, TEXT-003, the Textbook Commission:

- Evaluates instructional materials/textbooks
- Appoints advisors to assist in the evaluation of textbooks and directs them in the performance of their duties.
- Makes recommendations to the State Board of Education.

Evaluation process for Instructional Materials/Textbooks

Presented for Action on First Reading

The Textbook Commission is presenting the list of recommended titles in the summary reports for K-12 Science to the State Board of Education for approval and adoption.

Recommendation

It is recommended that State Board of Education members review and approve the K-12 Science instructional materials/textbooks for state adoption.

Thank you!
