

K-12 Science Instructional Materials/Textbooks

Bid Number	Grade Level or Course	Title	ISBN	Publisher	Copyright	Edition	School Price
CBS3001	K	Smithsonian North Carolina Package, Grade K. Each package includes 1 each of 3 units kits: How Do Living Things Stay Safe and Grow?, How Can We Be Ready for the Weather?, and How Can We Change and Object's Motion? Each unit kit includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032262	Carolina Biological Supply Co.			\$2,377.55
	K	How Do Living Things Stay Safe and Grow?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027640	Carolina Biological Supply Co.	2022	2nd	\$926.69
	K	How Can We Be Ready for the Weather?, 1-Use Unit Kit (includes teacher guide, big book, student readers, classroom equipment and access to digital resources)	9781435026414	Carolina Biological Supply Co.	2020	1st	\$771.30
	K	How Can We Change an Object's Motion?, 1-Use Unit Kit (includes teacher guide, big book, student readers, classroom equipment and access to digital resources)	9781435026469	Carolina Biological Supply Co.	2020	1st	\$679.56
CBS3002	1	Smithsonian North Carolina Package, Grade 1. Each package includes 1 each of 4 units kits: What Do Plants and Animals Need to Live?, How Can We Predict When the Sky Will Be Dark?, How Can We Send a Message Using Sound?, and How Can We Map Land and Water on Earth?. Each unit kit includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032279	Carolina Biological Supply Co.			\$3,279.91
	1	What Do Plants and Animals Need to Live?, 1-Use Unit Kit (includes teacher guide, big book, student readers, classroom equipment and access to digital resources)	9781435026360	Carolina Biological Supply Co.	2020	1st	\$609.35
	1	How Can We Predict When the Sky Will Be Dark?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027794	Carolina Biological Supply Co.	2022	2nd	\$766.62

Bid Number	Grade Level or Course	Title	ISBN	Publisher	Copyright	Edition	School Price
	1	How Can We Send a Message Using Sound?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027596	Carolina Biological Supply Co.	2022	2nd	\$984.73
	1	How Can We Map Land and Water on Earth?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027695	Carolina Biological Supply Co.	2022	2nd	\$919.20
CBS3003	2	Smithsonian North Carolina Package, Grade 2. Each package includes 1 each of 4 units kits: What Explains Similarities and Differences Between Organisms?, How Do Weather and Climate Affect Our Lives?, How Can We Send a Message Using Sound?, and STC Changes. Each unit kit includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032286	Carolina Biological Supply Co.			\$4,293.71
	2	What Explains Similarities and Differences Between Organisms?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018501	Carolina Biological Supply Co.	2018	1st	\$993.15
	2	How Do Weather and Climate Affect Our Lives?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018556	Carolina Biological Supply Co.	2018	1st	\$1,271.17
	2	How Can We Send a Message Using Sound?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027596	Carolina Biological Supply Co.	2022	2nd	\$984.73
	2	STC Changes, 2-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435007635	Carolina Biological Supply Co.	2013	3rd	\$1,044.64
CBS3004	3	Smithsonian North Carolina Package, Grade 3. Each package includes 1 each of 5 units kits: How Can We Find the Best Place for a Plant to Grow?, How Can We Map Land and Water on Earth?, How Can We Predict Patterns of Motion?, How Does Motion Energy Change in a Collision?, How Can We Use the Sky to Navigate?. Each unit kit	9781435032293	Carolina Biological Supply Co.			\$5,814.82

Bid Number	Grade Level or Course	Title	ISBN	Publisher	Copyright	Edition	School Price
		includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.					
	3	How Can We Find the Best Place for a Plant to Grow?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027848	Carolina Biological Supply Co.	2022	2nd	\$930.43
	3	How Can We Map Land and Water on Earth?, 1-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435027695	Carolina Biological Supply Co.	2022	2nd	\$919.20
	3	How Can We Predict Patterns of Motion?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018600	Carolina Biological Supply Co.	2018	1st	\$1,360.10
	3	How Does Motion Energy Change in a Collision?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018808	Carolina Biological Supply Co.	2018	1st	\$1,507.07
	3	How Can We Use the Sky to Navigate?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018952	Carolina Biological Supply Co.	2018	1st	\$1,097.99
CBS3005	4	Smithsonian North Carolina Package, Grade 4. Each package includes 1 each of 5 units kits: How Can We Predict Patterns of Motion?, How Can Animals Use Their Senses to Communicate?, How Can Animals Use Their Senses to Communicate?, How Can We Provide Energy to People's Homes?, and STC Rocks and Minerals. Each unit kit includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032309	Carolina Biological Supply Co.			\$6,972.77
	4	How Can We Predict Patterns of Motion?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018600	Carolina Biological Supply Co.	2018	1st	\$1,360.10

Bid Number	Grade Level or Course	Title	ISBN	Publisher	Copyright	Edition	School Price
	4	How Can Animals Use Their Senses to Communicate?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018709	Carolina Biological Supply Co.	2018	1st	\$1,033.40
	4	What Is Our Evidence That We Live on a Changing Earth?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018754	Carolina Biological Supply Co.	2018	1st	\$1,263.68
	4	How Can We Provide Energy to People's Homes?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018853	Carolina Biological Supply Co.	2018	1st	\$1,461.20
	4	STC Rocks and Minerals, 2-Use Unit Kit (includes teacher guide, student readers, classroom equipment and access to digital resources)	9781435007673	Carolina Biological Supply Co.	2013	3rd	\$1,854.36
CBS3006	5	Smithsonian North Carolina Package, Grade 5. Each package includes 1 each of 5 units kits: How Can We Predict Change in Ecosystems?, How Can We Use the Sky to Navigate?, How Can We Identify Materials Based on Their Properties?, What Explains Similarities and Differences Between Organisms?, and How Does Motion Energy Change in a Collision?. Each unit kit includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032316	Carolina Biological Supply Co.			\$5,884.09
	5	How Can We Predict Change in Ecosystems?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018907	Carolina Biological Supply Co.	2018	1st	\$933.24
	5	How Do Weather and Climate Affect Our Lives?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018556	Carolina Biological Supply Co.	2018	1st	\$1,271.17

Bid Number	Grade Level or Course	Title	ISBN	Publisher	Copyright	Edition	School Price
	5	How Can We Identify Materials Based on Their Properties?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435019003	Carolina Biological Supply Co.	2018	1st	\$1,179.44
	5	What Explains Similarities and Differences Between Organisms?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018501	Carolina Biological Supply Co.	2018	1st	\$993.15
	5	How Does Motion Energy Change in a Collision?, 1-Use Unit Kit (includes teacher guide, student activity guides, student readers, classroom equipment and access to digital resources)	9781435018808	Carolina Biological Supply Co.	2018	1st	\$1,507.07
CBS3007	6	Smithsonian STCMS North Carolina Package, Grade 6. Each package includes 1 each of 4 modules: Electricity, Waves, and Information Transfer, Space Systems Exploration, Structure and Function, and Earth's Dynamic Systems. Each module includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032323	Carolina Biological Supply Co.			\$11,795.61
	6	Electricity, Waves, and Information Transfer, 1-Class Module (includes teacher guide, student editions, classroom equipment, and access to digital resources)	9781435020191	Carolina Biological Supply Co.	2018	3rd	\$3,540.28
	6	Space Systems Exploration, 1-Class Module (includes teacher guide, student edition, classroom equipment and access to digital resources)	9781435020115	Carolina Biological Supply Co.	2018	3rd	\$2,158.60
	6	Structure and Function, 1-Class Module (includes teacher guide, student editions, classroom equipment, and access to digital resources)	9781435014503	Carolina Biological Supply Co.	2018	3rd	\$2,539.59
	6	Earth's Dynamic Systems, 1-Class Module (includes teacher guide, student editions, classroom equipment, and access to digital resources)	9781435014152	Carolina Biological Supply Co.	2018	3rd	\$3,557.13
LRN3002	6	6th Grade Science Program (5 year consumable)	2024815085056	LearnEd	2024	1	\$51.25

Bid Number	Grade Level or Course	Title	ISBN	Publisher	Copyright	Edition	School Price
STE3001	6	Stile Science Digital for North Carolina 6th Grade - Digital Only - Student Edition - 5 years, per student	9781923034853	Stile Education	2024	1	\$82.38
STE3004	6	Stile Science Digital for North Carolina 6th Grade - Digital Only - Student Edition - 1 year, per student	9781923034860	Stile Education	2024	1	\$27.15
STE3013	6	Stile Science Digital & Printable Worksheets & Workbooks for North Carolina 6th Grade - Digital plus Printable student worksheets and hardcopy student workbooks - Student Edition - 5 years, per student	9781923034891	Stile Education	2024	1	\$222.79
STE3016	6	Stile Science Digital & Printable Worksheets & Workbooks for North Carolina 6th Grade - Digital plus Printable student worksheets and Hardcopy student workbooks - Student Edition - 1 year, per student	9781923034907	Stile Education	2024	1	\$55.23
CBS3008	7	Smithsonian STCMS North Carolina Package, Grade 7. Each package includes 1 each of 3 modules: Energy, Forces, and Motion; Genes and Molecular Machines, and Weather and Climate Patterns. Each module includes a print teachers guide, print student books, digital resources and investigation equipment and consumable materials for the class.	9781435032330	Carolina Biological Supply Co.			\$7,773.23
	7	Energy, Forces, and Motion, 1-Class Module (includes teacher guide, student editions, classroom equipment, and access to digital resources)	9781435014251	Carolina Biological Supply Co.	2017	3rd	\$2,038.77
	7	Genes and Molecular Machines, 1-Class Module (includes teacher guide, student editions, classroom equipment, and access to digital resources)	9781435014459	Carolina Biological Supply Co.	2017	3rd	\$2,667.83
	7	Weather and Climate Systems, 1-Class Module (includes teacher guide, student editions, classroom equipment, and access to digital resources)	9781435014305	Carolina Biological Supply Co.	2017	3rd	\$3,066.61
STE3002	7	Stile Science Digital for North Carolina 7th Grade - Digital Only - Student Edition - 5 years, per student	9781923034853	Stile Education	2024	1	\$82.38
