Dear Members of the Wake County Public School System Board of Education,

On behalf of the staff, students, and families of Hortons Creek Elementary School, we are writing to formally request the dedication of our school courtyard as the "Hawk's Nest Courtyard" in honor of Dr. Sandy Chambers, the founding principal of our school.

Since its opening in 2017, Hortons Creek Elementary has been a beacon of excellence, equity, and innovation. Much of this success is due to the visionary leadership of Dr. Chambers, who laid the foundation for the strong, inclusive, and dynamic school culture we continue to foster today.

The courtyard, centrally located and a hub for both students and staff, serves as a gathering place that embodies the spirit of collaboration that Dr. Chambers instilled in all of us. Naming this space the "Hawk's Nest Courtyard" will not only align with our school's identity but also serve as a lasting tribute to Dr. Chambers' legacy—a reminder of the values of dedication, inclusivity, and excellence that she championed.

We believe that this dedication will inspire future generations of Hawks and reinforce the importance of honoring those who have made significant contributions to our school community. We kindly request your support in this endeavor and look forward to working with you to bring this meaningful recognition to fruition.

Thank you for your time and consideration of this request.

Sincerely,

The Staff and Families of Hortons Creek Elementary School
